

## Greetings

The school year is underway! We are so grateful for all of our Portals families. It was a blessing to work with you all as preparation for the school year began, and as you settled into your new routines. As we continue into the year, we would love to hear from you about how things are going and what we can do to better support your school or homeschool experience. Our team is available anytime to help with questions, support, or feedback.

-Your Portals Team

## Hub Support Phone Number

Portals Hub Support has a new phone number! In order to ensure we can provide you with the best, most immediate help possible, we opened a new phone line exclusively for Portals families seeking Hub Support. See below for the updated contact information:

## New Partner! North Dakota Homeschool Association

Portals believes that membership in the state organization is essential to the growth and protection of homeschool rights in each state. We encourage families to become involved in their state organization by offering a free year of membership to their state organization with the purchase of one year of hub support.

This new partnership with North Dakota will allow Portals to provide a one year NDHSA membership to all North Dakota homeschool families who have completed registration with Portals for the current school year.

## Sacred Journey Site Visit

and administrators who are transforming the educational experience, and discipling students into passionate Christ-followers. We are grateful for your partnership and love to see the joy your students have in learning.

Thank you to Sacred Journey Academy in Alexandria, MN for the welcoming visit to your school. It was great to meet the incredible team of teachers

## Charity Finalist

We are thrilled to announce that we just received a check for more than \$10,400 from Coign, America's Conservative credit card!

Part of what makes Coign different from every other credit card is that a portion of every swipe is donated to causes voted on by Coign cardholders! We were honored to be chosen as one of Coign's charity finalists for this quarter and are grateful for this money and their support.

Coign's Founder and CEO Rob Collins shared, "As a father of four, my wife and I navigated - aka struggled - with 'distance learning' like millions of other families during the pandemic. But it also gave us a peek into our kids' classrooms that we never would have had otherwise. For many parents, what they found was startling, but they simply did not know what else to do."

"We are grateful for Portal's dedication to showing parents that it is possible to offer your kids a strong, values-based, education on your terms and within your budget. We applaud their mission and are excited to be able to introduce them to our Coign community."

Thanks again to Coign. If you would like to learn more about Coign or apply for a credit card, check them out here: <https://www.coign.com/conservative-card>. If you would like to invest in Coign, please reach out to us and we'll be glad to connect you with the right person on their team!
